### Notice of Motion – Use of Electronic Communication Devices during Council Meetings

---

**Motion:**

That Council direct Administration to bring forward a recommendation regarding the use of electronic communication devices by Council members during regular Council Meetings by August 25, 2015.

**Purpose:**

The purpose of this report is to determine if Council wishes to direct Administration to bring back a recommendation regarding the use of electronic communication devices by Council members during regular Council Meetings.

**Background:**

At the June 23, 2015 regular Council meeting, Councillor Garritsen presented a motion that Administration bring back a recommendation regarding the use of electronic communication devices by Council members during regular Council Meetings.

If the above motion is approved, Administration would prepare a recommendation for Council's use of electronic devices during regular Council Meetings, to be presented at the August 25, 2015 regular Council Meeting.

**Alternatives:**

1. That Council approve the motion requesting a recommendation for Council's use of electronic devices during regular Council Meetings.
2. That Council defer the motion to a broader discussion about a Council Code of Conduct.
3. That Council not approve the motion requesting a recommendation for Council's use of electronic devices during regular Council Meetings.

**Recommendation:**

That Council advise how they wish to proceed.
